

Games Night!

DECEMBER 2024 : PUZZLE

Show Solution

Oh no! The elves in charge of board games only managed to complete a couple of sets before they were distracted by playtesting the toys. Ho-ho-ho-w infuriating!

[The answer to this puzzle is a single word.]

Looking at the letters spelled by the pieces in the order the boxes are stacked from left to right leads to the clue: MISSING ONES (M from Uno, I from Catan, etc.)

Then look for the missing pieces from each game set

Games Not Missing Anything For Sure:
Monopoly, Clue
